**St. Lucia - Catamaran to the Pitons Excursion**

**Ship Port Hours:** 8:00 AM – 5:00 PM

**Location:** St. Lucia, Cruise Port

---

 **Schedule**

**Meeting Time:** 8:00 AM

**Meeting Location:** Right off the ship. Check in with Lyndsey and then wait for instructions. We will be walking a short distance to get to the catamarans.

**Arrival Location:** Jalousie Beach (between the Pitons) then to Marigot Bay for lunch.

We'll take a short walk to a nearby dock where **three private catamarans** will be waiting for us (about 40 guests per boat). If there's someone you'd like to ride with, just stick together and we'll load groups that way. We'll absolutely do our best to keep friends together — but hey, it's Team Cocktail... we're basically one big group of friends anyway 😊

Once aboard, we'll kick things off sailing around the island with **rum punch, beers, and incredible views** while we cruise toward Jalousie Beach, nestled right between the iconic Pitons. It's truly one of the most beautiful spots you'll ever see!

At the beach, you'll have time to **swim, snorkel, and soak it all in**. Just keep an eye on the time — Spencer (our awesome tour operator) and I will let you know when it's time to head back to the boats.

A quick heads up: Jalousie Beach is also part of a resort, so we **can't use their chairs or facilities**, but we're free to enjoy the beach and the water.

After our beach time, we'll hop back on the catamarans and cruise over to **Marigot Bay for a delicious buffet lunch**. It's a short walk from the dock to the picnic area. With 120 of us, the line may take a few minutes, so please be patient — we promise the food is totally worth it!

One important note: please **do not wander off into town**. We'll regroup and head back together when it's time to return, and we definitely don't want to leave anyone behind.

Get ready for a day of sailing, sunshine, and serious island vibes — it's going to be such a good one!
